

# TRANSACTIONS

OF THE

## SEISMOLOGICAL SOCIETY OF JAPAN.

### GENERAL INDEX, VOLS. I-16.

The letters S.J. refer to the Seismological Journal of Japan, a publication which may be regarded as a continuation of the Transactions.

|  | Vol.                        | No.  |
|--|-----------------------------|------|
| An Architect's Notes on the Great Earthquake of October, 1891 .....  | Conder, S.J.                | ii   |
| Animals, the Effects of Earthquakes on.....  | Milne.                      | xii  |
| Astatic Suspension, On certain methods of .....  | Ewing.                      | vi   |
| Atami, The Hot Springs of .....  | Kawahara.                   | iii  |
| Atami, Notes on the Earthquake at, Sept. 29, 1882..  | Dan.                        | v    |
| Automatic Current Recorder .....   | Shida.                      | ix   |
| Bandaisan, Cone-shaped holes at.....   | Odlum.                      | xiii |
| Bandaisan, Eruption of .....   | Sekiya and Kikuchi.         | xiii |
| Bandaisan, Notes on.....   | Knott and Smith.            | xiii |
| Catalogue of Earthquakes 1881-85.....  |                             | x    |
| Catalogues of 482 Earthquakes in 1885 .....  | Sekiya.                     | x    |
| Catalogue of Earthquakes. Tokio, July, 1885..  | Feb., 1885.                 | viii |
| Chinese Earthquakes .....  | Omori, S.J.                 | i    |
| Columns, Overturning and Fracturing of.....  | Milne, S.J.                 | i    |
| Columns, Overturning of.....   | Omori, S.J.                 | ii   |
| Construction in Earthquake Countries, 246 p.   | Milne and others.           | xiv  |
| Construction in Earthquake Countries (a Supplement)...   |                             | xv   |
| Earth Currents .....   | Shida.                      | ix   |
| Earth's Internal Heat, Utilization of the  | Discussion opened by Milne. | iv   |
| Earth Physics, Experiments in, and Mitigation of Earthquake effects .....  | Milne, S.J.                 | i    |
| Earth Pulsations.....  | Milne.                      | iv   |
| Earth Pulsations, relation to Natural Phenomena  | Milne, S.J.                 | i    |
| Earthquake in Japan, The, of February 22, 1880...Milne.  |                             | i    |
| Earthquake of July, 25, 1880, Observation of the Nature (Madalitât) of the, by means of Dr. G. Wagener's Seismometer ..... | Knipping.                   | iii  |
| Earthquake of March 8, 1881, The .....   | Ewing.                      | iii  |
| Earthquake of March 8, 1881, The, Notes on the Horizontal and Vertical Motion of the .....                                 | Milne.                      | iii  |
| Earthquake, The Peruvian, of May 9, 1877 .....   | Milne.                      | ii   |
| Earthquake, The Severe of, Japan, of the 15 January, 1887 .....  | Sekiya.                     | xi   |
| Earthquake, The great of Oct. 28th, 1891.....  | Milne, S.J.                 | i    |
| Earthquakes, Catalogue 1887-1890.....  |                             | xv   |
| Earthquakes, Cause of .....  | Mennier.                    | xiii |
| Earthquake Countries, On Construction in .....   | Milne.                      | xi   |

|  |                   |        |   |
|--|-------------------|--------|---|
| Earthquake Diagrams .....  | Milne.            | xv     |   |
| Earthquake Effects, Emotional and Moral .....  | Milne.            | xi     |   |
| Earthquake Effects on Structures, with an Appendix   | Pownall.          | } xvi  |   |
|  |                   |        |   |
| Earthquake Frequency .....   | Knott.            | ix     | I |
| Earthquake Frequency .....   | Knott.            | xv     |   |
| Earthquake Measurements, On the Steady Points for  | Gray.             | } iii  |   |
|  |                   |        |   |
| Earthquake Measurements in a Pit and on the Surface  | Sekiya and Omori. | } xvi  |   |
| of the Ground .....  |                   |        |   |
| Earthquake Motion, Distribution of, in a small area.   | Milne.            | xiii   | I |
| Earthquake at Atami Sept. 29, 1882, Notes on .....   | Dan.              | v      |   |
| Earthquake of March 11, 1882, Notes on.....  | Ewing.            | iv     |   |
| Earthquake, Note on, an Indian.....  | Doyle.            | iv     |   |
| Earthquake, Note on the development and the interpretation of the record which a Bracket Machine gives of an ..... | Alexander.        | } vi   |   |
| Earthquake, Note on a Casting supposed to have been disturbed by an .....  | Gergens.          |        |   |
| Earthquake measurements of recent years with special reference to vertical motion.....                             | Sekiya.           | } xi   |   |
| Earthquakes and earthquake sounds as illustrating the general theory of vibrations.....                            | Knott.            |        |   |
| Earthquakes, Peculiar Phenomena in the propagation of  | Hofer.            | } xiii | I |
|  |                   |        |   |
| Earthquake phenomena demanding solution .....  | Milne.            | xii    |   |
| Earthquake, On the Observation of an, at three or more stations to determine speed and direction of transit        | Ewing.            | } iii  |   |
|  |                   |        |   |
| Earthquake Observations of 1885 .....  | Sekiya.           | x      |   |
| Earthquakes in 1885-1887.....  |                   |        |   |
| Earthquake Observations in 1886 .....  | Milne.            | xiii   | I |
| Earthquake Observations in 1887 .....  | Milne.            | xv     |   |
| Earthquake Observations in 1888 .....  | Milne.            | xvi    |   |
| Earthquake Observations in 1889 .....  | Milne.            | xvi    |   |
| Earthquake Observations in 1890 .....  | Milne, S.J.       | i      |   |
| Earthquake Origins .....   | Foster.           | xv     |   |
| Earthquakes in China .....   | MacGowan.         | x      |   |
| Earthquake of Ischia, The .....  | Du Bois.          | vii    | I |
| Earthquake of Ischia, Further Notes.....   | Du Bois.          | viii   |   |
| Earthquake in the Island of Luzon in 1880, Abstract of a Memoir on the .....                                       | Garcia.           | } v    |   |
|  |                   |        |   |
| Earthquakes in Yokohama .....  | Pereira.          | xv     |   |
| Earthquakes of Japan, Notes on the Great .....   | Milne.            | iii    |   |
| Earthquakes felt in Japan, July, 1883 to May, 1888 .....   |                   | vii    | I |
| Earthquakes felt in Tokio, Jan. 1882 to March, 1883 ...  |                   | vi     |   |
| Earthquakes of Nueva Vizcaya (Philippine Islands) in 1881. Abellay Casariego. Trans.....                           |                   | } iv   |   |
|  |                   |        |   |
| Earthquakes observed during two years in North Japan, On 387 .....   | Milne.            | } vii  | 2 |
|  |                   |        |   |
| Earthquakes, On the Records of three recent.....   | Ewing.            | iii    |   |
| Earthquakes, Suggestions for the Systematic Observations of .....  | Milne.            | } iv   |   |
|  |                   |        |   |

|   |                     |      |   |
|---|---------------------|------|---|
| Earthquakes, Times of occurrence of .....   | Mason.              | xv   |   |
| Earthquakes of Yedo Plain, Notes on the recent, and their effects on certain buildings .....                            | Milne.              | ii   |   |
| Earthquake Waves at Great Distances...  | Paschwitz, S.J.     | ii   |   |
| Earth Tremors .....   | Milne.              | vii  | I |
| Earth Tremors in Central Japan .....  | Milne.              | xi   |   |
| Earth Tremors in Central Japan .....  | Milne.              | xiii | I |
| Earth Vibrations, a Note on .....   | Palmer.             | iii  |   |
| Electric and Magnetic phenomena and Earthquakes .....   | Milne.              | xv   |   |
| Fujiyama, Notes on .....  | Wada.               | iv   |   |
| Geology, Notes, to accompany some Theorems in the Dynamics of .....   | Kingsmill.          | x    |   |
| Gravity at Tokio, On a determination of the acceleration due to the .....   | Mendenhall.         | i    |   |
| Horizontal Pendulums, Movements of .....  | Milne, S.J.         | i    |   |
| Hot Springs of Atami .....  | Kuwabara.           | iii  |   |
| Ischia, The Earthquakes of.....   | Du Bois.            | vii  |   |
| Ischia, The Earthquakes of, Further Notes .....   | Du Bois.            | viii |   |
| Kumamoto Earthquake .....   | Otsuka.             | xv   |   |
| Lisbon, Great Earthquake of ... ..  | E. J. Pereira.      | xii  |   |
| L'Oscillographs double .....  | Bertin.             | xv   |   |
| Magnetic Survey of Japan (Notes of a Lecture)...  | Knott.              | xii  |   |
| Magnetic Declination in Japan, Notes on Secular Changes of .....  | Naumann             | v    |   |
| Mantel-Piece Seismometer .....  | Milne.              | xvi  |   |
| Meteorology of Japan, Notes on the .....  | Kuipping.           | viii |   |
| Monografía Geologica del Volcan de Albay o El Mayon .....   | Abella y Casariego. | v    |   |
| Motion relative of two points of ground .....   | Milne.              | xii  |   |
| Motion of Earthquakes as recorded in buildings...   | Milne.              | xii  |   |
| Model showing the motion of an Earth particle during an earthquake .....  | Sekiya.             | xi   |   |
| Pendulum so as to make it astatic, On a Method of compensating a .....  | Gray.               | iii  |   |
| Pendulum with a single bob, On a .....  | Ewing.              | vi   |   |
| Pendulum Seismometer, Note on Prof. Ewing's Duplex, with records obtained by it .....                                   | Sekiya.             | viii |   |
| Pendulum Seismographs, Modern forms of.. ..   | Milne.              | xii  |   |
| Pendulum Experiments on the Summit of Fujiyama for the purpose of ascertaining the force of gravity at that point ..... | Mendenhall.         | ii   |   |
| Peruvian Earthquake, of May 9, 1877, The.....   | Milne.              | ii   |   |
| Photography, Application, of to Seismology.   | Burton, S.J.        | i    |   |
| Report to the British Association .....   | Milne, S.J.         | ii   |   |
| Rocking of a Column, Note on the.....   | Perry.              | iii  |   |
| Safety lamps for Earthquake Countries .....   | Sekiya.             | xii  |   |
| Seiches of Lakes .....  | Forel.              | xv   |   |
| Seiches on Hakone Lake .....  | Burton.             | xvi  |   |
| Seismic Activity in Japan, The distribution of.....   | Milne.              | iv   |   |
| Seismic Experiments.....  | Milne.              | viii |   |
| Seismic Science in Japan .....  | Milne.              | i    |   |
| Seismic Survey made in Tokyo 1884-5, On a .....   | Milne.              | x    |   |

IV.
