### Explanation of Pl. III.

**Fig. 1.** View of 'Shin-Rakanji,' a Buddhist-temple near Ao, Yabakei.  
Note the overhanging cliff of agglomerates, which show stratification.

**Fig. 2.** View of the peaks of Kyōshūhō.  
Located between Hida and Ao, and form one of the most famous sceneries in the Yabakei. They are composed of stratified agglomerates and tuffs.
