Explanation of PL. X.

Fig. 1. View of Higashi-yama and the coastal terrace bordering the foot of it, looking east from the shore of Nishimombets village. The Author, Photo.

Fig. 2. View of the fossil-lake plain of the Sōbets district, and the lake of Tōya with the low-mountain range (Horst) between the two depressions, looking northwest from the southern margin of the plain. Prof. B. Kotō, Photo.

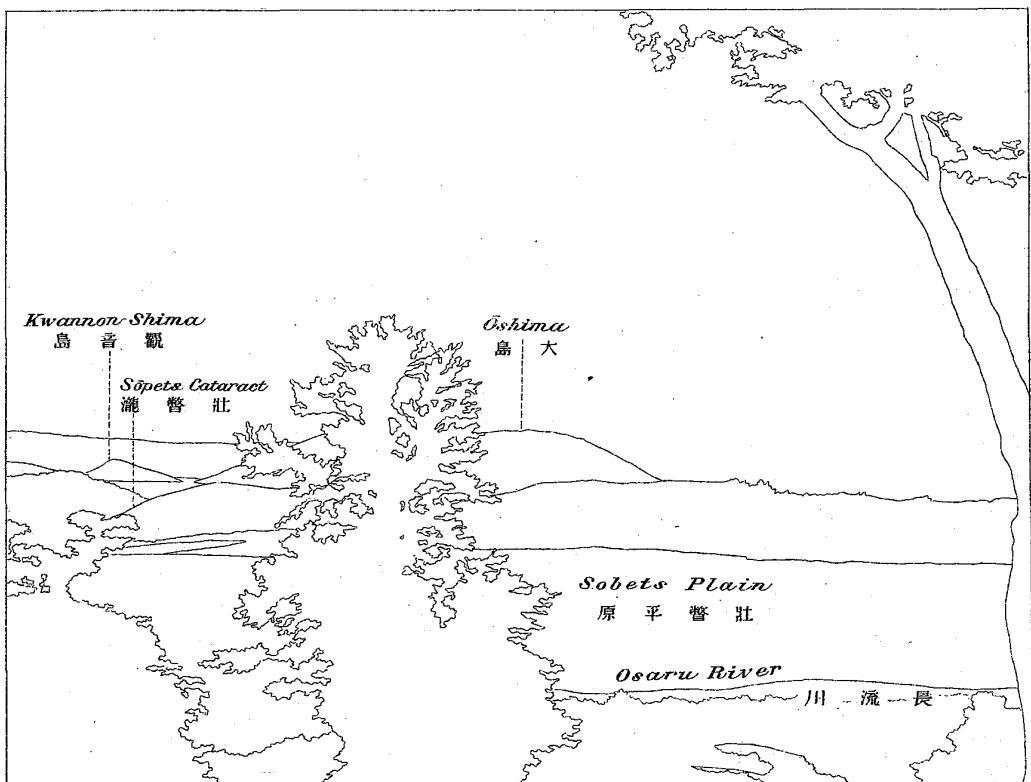

Fig. 3. View of the cataract of the Sōbets River with the lava flow inclining toward it on the right. Prof. Kotō, Photo.
