

CONTENTS.

- ✓ **Studies on Reproductive Elements.** I. Spermatogenesis, Ovogenesis, and Fertilization in *Diatomus* sp. By C. ISHIKAWA, *Ph. D.*, *Rigakuhakushi*, Professor of Zoology, Agricultural College, Imperial University. (*With Plate I.*) 1
- Further Studies on the Formation of the Germinal Layers in Chelonia.** (Contributions to the Embryology of Reptilia III). By K. MITSUKURI, *Ph. D.*, *Rigakuhakushi*, Professor of Zoology, College of Science, Imperial University, Tōkyō, Japan. (*With Plates II-IV.*) 35
- ✓ **On the Development of Limulus Longispina.** By KAMAKICHI KISHINOUE, *Rigakushi*, College of Science, Imperial University. (*With Plates V-XI.*) 53
- ✓ **On the Lateral Eyes of the Spider.** By KAMAKICHI KISHINOUE, *Rigakushi*, College of Science, Imperial University 101
- Notes on a Collection of Birds from Tsushima.** By I. IJIMA, *Ph. D.*, *Rigakushi*, *Rigakuhakushi*, Professor of Zoology, College of Science, Imperial University. (*With Plates XII.*) 105
- ✓ **On the Formation of the Germinal Layers in Petromyzon.** By S. HATTA. Zoological Laboratory, College of Science. (*With Plates XIII. XIV.*) 129
- The Disturbance of Isomagnetism attending the Mino-Owari Earthquake of 1891.** By A. TANAKADATE, *Rigakuhakushi*, *F. R. S. E.*, Professor of Physics and H. NAGAOKA, *Rigakushi*, Assist. Professor of Physics. College of Science, Imperial University. (*With Plates XV-XXII.*) ... 149
- Optical Note.** K. TAKIZAWA. 193
- The Archæan Formation of the Abukuma Plateau.** By B. KORŌ, *Ph. D.*, *Rigakuhakushi*, Professor of Geology, College of Science, Imperial University. (*With Plates XXIII-XXVII.*) 197
- On the Cause of the Great Earthquake in Central Japan, 1891.** By B. KORŌ, *Ph. D.*, *Rigakuhakushi*, Professor of Geology, College of Science, Imperial University. (*With Plates XXVIII-XXXV.*) 295
